

Supporting the Orchestra

A wide variety of charities, businesses and individuals including Patrons and Friends assist the work of the RTWSO. We gratefully acknowledge their generosity and support. If you have enjoyed our concerts and would like to see them continue at the same high standard, there are opportunities for you to help.

The Friends

Since 1987, The Friends of the RTWSO has played a vital role in helping the orchestra achieve financial stability. It continues as our main funding body. We value the existing support, but encourage others to consider membership. Become a Friend by making a donation of £25 or more per person per year.

If you are writing or revising your will, please consider leaving a gift to the Friends to ensure future generations can experience high quality orchestral music concerts.

Patrons

Our Patrons' scheme has four suggested levels of annual donation from £250 to £1,000 or more. Financial support of this kind has become a necessity for the RTWSO if it is to continue promoting six classical concerts each year.

Sponsors

The orchestra is actively seeking local businesses that could support our music-making. If you are involved in a business that could sponsor a concert, we would like to hear from you – call Tim Rogers, Marketing Manager, on 01892 722856.

To achieve our ambitions, the RTWSO requires security for its future. Please get involved now by making a donation.
